Attn : Office of Initial Patent Examination

Dear Sir/Madam,

I am the applicant of a reissue application of US Patent 6665797, which being filed by faxed on November 9, 2005.

As I now know that the USPTO would not accord a receipt date for a reissue application filed by facsimile, I am going to file a hard copy of the application by mail.

Kindly include the hard copy into the file of the reissue application and the Office NEED NOT refund the filing fees previously received, as the hard copy is not submitted with any payment.

If there is any problem in this application, kindly let me know by email :
